

## **IRLP EXP0092/\*MICH-EXP\* Policy**

When connecting to the Experimental Reflector 0092 please have your node set to  
ALLOW\_EXPERIMENTAL\_NODES=YES

For those that want to connect to Echolink, IRLP are welcome to connect since it is connected to \*MICH-EXP\* Conference. Here is the rules that is allowed and not allowed on the system.

1. Pause 4 seconds before you start talking or give out your callsign.
2. links/crosslink without prior or permission are unacceptable
3. No Cross connecting reflectors or Allstar nodes allowed on the IRLP EXP0092 Reflector and the \*MICH-EXP\* conference.
4. Do not connect another Allstar hub without permission if doing so your allstar node will be disconnected or be banned from the system.
5. Please disconnect from this reflector, Allstar or the conference before connecting to another reflector or allstar node or hub.
6. When using Echolink you can connect to a PC or phone or -L and -R to connect. When on IRLP you are using RF on a radio. If a station causes a problem on Echolink or IRLP will be muted, disconnected or be banned from the system.
7. No Gossip, Swearing, profanity, or foul language are allowed on the system.
- 8.No politics allowed on the system that will not be discussed
- 9.If you do not observe or follow these instructions your IRLP, Allstar, and Echolink node will be banned from the network.
10. Please Be Respectful to others and be kind to one another Anyone is welcome to use the system that include IRLP, Echolink, and Allstar.
